

Engage, solicit, and steward donors more effectively through text messaging

Engagement rates down? Your messages might be getting lost in unread emails and unanswered phone calls. Reach donors where they are and cut through the noise with a scalable, personalized approach to text messaging from GiveCampus.

Build trust

- **Safeguard donor data** with secure text messaging protected by ISO/IEC 27001 and SOC-2 certified technology infrastructure.
- **Stay compliant with opt-out requirements** and customize your opt-out message.
- **Use a local area code** for your call back number that donors will recognize.
- **Ensure safety and protect donor privacy** with admin access to conversation history and transcripts.
